Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§1.56 and 1.97(b), applicants bring to the Examiner's attention the documents listed on attached Form PTO/SB/08 and cited in the enclosed international search report. A copy of each listed foreign patent document is attached. Applicants respectfully request that the Examiner consider the documents listed on attached Form PTO/SB/08 and indicate that they were considered by making an appropriate notation on this form.

This Information Disclosure Statement is being filed with the above-referenced application.

The following are listed on the accompanying PTO/SB/08 and are in a non-English language:

ALL REFERENCES CONSIDERED EXCEPT WHERE LINED THROUGH. /C.N./

1. German patent publication no. 2 200 105.
2. WIPO patent publication no. WO 02/059912. An English language abstract of this document is enclosed.
3. German patent publication no. 101 19 653. The relevance of this document is discussed at page 4 of the specification of the present application.
4. German patent publication no. 40 04 229. The relevance of this document is discussed at page 4 of the specification of the present application.
5. Japanese patent publication no. 2002-216545. The relevance of this document is discussed at page 4 of the specification of the present application.

In lieu of a statement of relevance or translation of the non-English documents, items 1-2 listed above, enclosed is an English-language international search report from the European Patent Office from which this national phase U.S. application is derived citing these documents and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed
